## Okavango Delta

Situated in the northwestern corner of Botswana, the Okavango Delta is a World Heritage Site as it is the largest inland delta in the world. The magnificent Okavango River sprawls out over the dry sands of the Kalahari Desert forming this flourishing waterlogged oasis featuring countless meandering waterways and crystal clear lagoons studded with water lilies, as well as fertile floodplains and reeded islands inhabited with abundant wildlife. The Okavango Delta stretches over 15000 square kilometres. Visitors can enjoy a number of wonderful activities such as game viewing, fishing, bird watching or taking an authentic guided Mokoro excursion through this wetland paradise in a traditional dugout canoe. Commonly spotted animals include: lion, rhino, leopard, giraffe, hippos, elephants, crocodiles and countless species of bird.

## Day Itinerary

Day 1 Thursday 28 March 2019:

Flight from Maun Airport to Pelo

Arrive at Pelo

### Overnight: **Pelo Camp** [View iBrochure](#)

Tall, graceful palm trees mark the location of Pelo Camp, while the island's distinctive shape is instantly recognisable from the air. 'Pelo' is the local word for heart, and guests instantly fall in love with this tiny, tranquil island hideaway.

One of the smaller Botswana camps, Pelo has five tents with private verandas and magnificent vistas of the surrounding Okavango. The emphasis at Pelo is on mokoro excursions – a smooth, silent way to connect both with the details of the Okavango Delta and the rich heritage of the people of this region.

INSIDER'S TIP: Watch the comings and goings of wildlife from the comfort of camp and the mokoro – hippos, lechwe and sitatunga among many other water-loving creatures.

### Linyanti Concessions

The Kwando-Linyanti river system is home to a series of private game reserves, known for their exotic animal species and luxury safari options. An abundance of wildlife roams freely between the woodland habitats, ancient floodplains and forests that make up these lush, unfenced reserves. The big game in this area increases dramatically during the dry season when the area hosts large herds of impala, blue wildebeest, giraffe and buffalo as well as the world's highest density of elephant. Several packs of wild dog are found in the area and lion, leopard and cheetah are frequently sighted. Night drives allow for the discovery of nocturnal creatures such as civets, genets, honey badgers and spring hares. This vast, untamed wilderness is the perfect location for those seeking a unique African adventure in an exclusive and remote big game habitat.

Linyanti Tented Camp is ideal for families and small groups looking to explore this wildlife-rich concession. Unrivalled in its remoteness and sense of space, the camp overlooks the iconic Linyanti Marsh.

Four large, airy and en-suite tents are designed to recreate the accommodation style of the early explorers, some of whom passed by here. Game drives and full-day excursions with lunch at remote picnic spots enable fuller exploration of the varying habitats, including the river, floodplains, open dry-land savannah and woodland. Linyanti Tented Camp is open from 1 May to 30 November, and can only be booked on a sole-use basis.
